Ask This! The book with crazy questions that won't be half as funny as the answers you'll hear. By pulling out this little black box in your head of over one thousand questions that you read, you'll have your guests laughing out loud and at each other in no time.

But you can get deep too. Totally off-the-wall questions will make you laugh and think at the same time. Is kissing sex? How fast is Godspeed? Are yawns contagious? Do you think someone could have faked their own death in 9/11?

Some you've heard before, and some may be just worded differently. Is it kitty-corner or kaddy-corner? If you never vote then how can you complain? Did we really land on the moon? What time were you born?

So read this, and for about a penny per question you'll have hours of entertainment for you and your friends.

The questions are easy to remember, so they're great for starting conversations on a date or at a stressful meeting.
